CARIE'S COMMENTS

Dear Friends,

This year marks a very special milestone for the Southwest Sublette County Pioneer Senior Center – our 50-year anniversary (1976–2026)! Throughout the year, we will be hosting a variety of events to celebrate five decades of community, connection, and care. If you have any stories or memories from the early years of the center, please share them with us – we would love to hear and celebrate them together.

We've also been excited to see a few new faces joining us in January. Please take a moment to welcome them and help them feel at home. This center has always been about friendship, and it's wonderful to see our community continue to grow.

We are happy to announce that we will once again be hosting the Annual Community Meet the Musers Banquet on February 2. Be sure to check out our menu and activities – we truly have a lot to offer, from good food to great company and new friends.

On a personal note, I sincerely appreciate each and every one of you who helps out at the center, as well as your kind concern regarding my knee situation. This year will be a year of healing for me – and a true test of my patience! One thing I know for certain is that I am surrounded by positive, caring people here, and for that I am incredibly thankful.

To our amazing staff – not only have you stepped up and taken on extra responsibilities while I'm down, but you've also taken care of me personally by bringing food and water (LOL!). Your kindness means more than I can say.

Come share your smile, my friends. I'm grateful for all of you.
