Hello Peeps,

Spring is in the air my friends! Hope this newsletter finds you all happy and healthy.

Thank you Jonah Energy for providing our local Seniors their Easter meal. Jonah Energy has committed to providing a few more meals for our seniors throughout the year. June 13, September 12, and December 12. Again, thank you Jonah Energy for your generosity.

We received \$100 from Jennie Gordon and the Wyoming Hunger Initiative. We will be using the money to replenish the pantry with food for our local seniors.

Grant season is here, that being said we will be busy, busy in the offices!

NOTICE: Change in Curbside Delivery. April 1st please call in and reserve your meal by 9 a.m. for curbside. Meals will be ready for pickup from 11:15-11:30. If you would rather have us deliver we can arrange that as well.

Community is welcome to come eat anytime. We do ask that you call in and let us know. Community is also welcome to pick up curbside by calling and reserving a meal. We only home deliver to senior citizens.

Happy Springtime!

Come share your smile,

~Carie
